### Additional Information

- \* **Gross rate** is the rate of interest payable before the deduction of income tax. All interest is paid gross. This is based on the current law and HM Revenue & Customs practice, both of which may change.
- # **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added once each year.
- We will write to you before this account maturity and depending on your contact preference this might be via letter or email. It is important that you notify us if your contact details change.
- You can change your contact details (postal address, email and telephone) anytime, simply contact your local branch.

### Financial Services Compensation Scheme

Protected

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a building society is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme. In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the building society, including their share of any joint account, and not to each separate account.

For further information about the scheme (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website [www.FSCS.org.uk](http://www.FSCS.org.uk) or call the FSCS on 0800 678 1100. Please note only compensation related queries would be directed to the FSCS.
